MEMORANDUM FOR THE INTELLIGENCE ADVISORY COMMITTEE

SUBJECT : Standing Operating Procedures for Briefing and
Debriefing East-West Exchange Delegations, as
Instituted by the IAC Ad Hoc Committee on
Exchanges

The IAC Ad Hoc Committee on Exchanges has prepared the attached "Standing Operating Procedures for Briefing and Debriefing East-West Exchange Delegations" for the guidance of the intelligence community on this matter. This project was undertaken in the fall of 1956, and has been carried to completion for use in the event that additional exchanges are undertaken in the future. The Committee believes that the procedures will, in any event, provide useful guidance in the conduct of general travel activities involving the Sino-Soviet Bloc.
